## GRADING SYSTEM

The Oyster River Cooperative School Board deems it important that teachers have as much and as accurate knowledge of each student as possible in order to assess his/her needs, growth, and make instructional plans for him/her. Sharing of information among parent, teacher, and student is essential.

The Superintendent and the building Principals will develop a grading system appropriate to the grade levels of the respective schools. The grading system will be approved by the Board and published in the Parent-Student Handbooks. All grading decisions shall be made at the building level and the decision shall be final.
