IMMUNIZATION OF STUDENTS

All students in Oyster River School District schools are required to have certain immunizations. The current schedule of immunizations determined by the New Hampshire Division of Public Health Services shall be applicable to all children entering school at any level, kindergarten through grade 12.

- a) A parent or legal guardian shall have a child immunized against certain diseases including, but not limited to, diphtheria, mumps, pertussis, poliomyelitis, rubella, rubeola, and tetanus as well as other diseases which require immunization as determined by rules adopted by the Director of the Division of Public Health Services.
- b) A child shall be exempt from immunization in accordance with RSA 141-C:20-c.
- c) A child who is exempt from immunization in accordance with b) shall not attend school during an outbreak of a communicable disease for which immunization is required under RSA 141-C:20-a.
- d) If a child is not immunized as in ED 311.01 (a), does not have a religious or medical exemption, or is unable to provide evidence of acceptable immunization for conditional enrollment, he/she shall not be admitted to school.
- e) If a child exhibits signs/symptoms of communicable disease contagion (RSA 200:39) or is a hazard to himself/herself or others, he/she shall be excluded from the classroom and his/her parents or guardians shall be notified as soon as possible.
