Bond Public Hearing

- Warrant Article # 3 and Explanation for Oyster River High School Proposed Athletic Fields

PRESENTATION
Warrant Article # 3
ARTICLE 3: Shall the District raise and appropriate the sum of $1.9 Million for the renovation and construction of athletic fields and a track at Oyster River High School, and to authorize the issuance of not more than $1.5 Million of bonds or notes to be paid over a 10 year period in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the School Board to issue and negotiate such bonds or notes; and in addition to raise and appropriate the sum of $22,419 for the first year’s principal and interest payment on the bonds or notes, and up to $400,000 to come from the year-end undesignated fund balance surplus. The School Board recommends this appropriation. (A three-fifths (3/5) ballot vote required.)
Warrant Article # 3
Explanation

Explanation: Warrant Article 3 - Asks Oyster River taxpayers to approve a bond of up to $1.5 Million over a (10) year period to fund the costs for an athletic facility upgrade project at the high school. This project will include an all-weather track, an artificial turf playing field with environmentally friendly fill, and reconfigured baseball and softball fields. The benefits of the project include increased safety, improved drainage and reduced runoff into Beard’s Creek, and increased field access reducing the need to rent UNH fields. Assuming the $1.5 million bond is approved by the voters, $300,000 for the project which has been previously fundraised, will be used to fund the construction of the all-weather track. The remaining $400,000 will come from fund balance. The Board anticipates that additional fundraising will make enhancements to the project possible including field lights and dugouts.

and further to raise and appropriate the sum of $38,937 for the 2016-2017 fiscal year, such sum representing the additional costs attributable to the increases in salaries and benefits required by the new agreement over those that would be paid at current staffing levels? *The School Board recommends this appropriation. (Majority vote required)*
Warrant Article # 5

ARTICLE 5: Shall the District authorize the School Board to sell the 24.97-acre lot on Orchard Drive in Durham, on such terms and conditions as the School Board determines are in the best interests of the District, and further to raise and appropriate up to $500,000 from the sale of this property to be placed into the Facilities Development Capital Reserve Fund established in March 1999 and amended in March 2014. The School Board recommends this appropriation. (Majority vote required)
Warrant Article # 5
Explanation

Explanation: Warrant Article 5 - Requests voter approval to sell two vacant residential parcels of land, totaling 24.97 acres on Orchard Drive in Durham. This property was given to the School District for future use. The property has been surveyed to determine the viability of using it for future buildings or fields. About 17 acres of the combined area of the parcels are constrained by natural resources, wetlands and watercourses, leaving only 8 acres for potential residential use. As a result of our environmental study, the School Board has determined that these parcels are not suitable for any school purpose. By placing this money in the Facilities Capital Reserve Fund it allows the District to meet capital needs.
ARTICLE 6: Shall the District raise and appropriate up to $500,000 to be added to the Facilities Development Capital Reserve Fund, with such amount to be funded from the year-end undesignated fund balance surplus. The School Board recommends this appropriation. (Majority vote required)
Warrant Article # 6
Explanation

Explanation: Warrant Article 6 - Due to unanticipated revenues and unexpended accounts, there may be funds remaining at the end of the year. Article 6 allows up to $500,000 of the remaining funds to be placed in the Facilities Development Capital Reserve Fund to help address over $2.5 million in unmet facility needs.
ARTICLE 7: Shall the District establish a non-lapsing Equipment Revolving Fund in accordance with RSA 194:3-c to be funded by the sale of unused and outdated equipment for the purpose of providing equipment to students in need, further to raise and appropriate one dollar ($1.00), with said amount to be withdrawn from the revolving fund at monthly intervals as needed. The School Board recommends this appropriation. (Majority vote required)
Warrant Article # 7
Explanation

Explanation: Warrant Article 7 – In our District it is recognized that there are students who cannot afford new technology. This article asks voters to approve establishing a District fund to provide the District with a way to assist students who live at or below poverty level, as defined by the free and reduced price lunch program. Funds from the proceeds of the sale of unused and outdated equipment will be utilized to assist these students. The amount in this fund will not exceed $2,000.
Warrant Article # 8

ARTICLE 8: Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant article and other appropriations voted separately, the amount set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling $42,303,815 distributed as follows: Fund 10 = $ 40,950,403 (regular operating budget); Fund 21 = $ 671,412 (expenditures from food service revenues); Fund 22 = $ 621,000 (expenditures from federal/special revenues); Fund 23 = $ 61,000 (expenditures from pass through funds)? Should this article be defeated, the operating budget shall be $ 40,892,769 (Default Budget) which is the same as last year with certain adjustments required by previous action of the District or by law; or the District may hold one special meeting in accordance with RSA 40:13, X, and XVI to take up the issue of the revised operating budget only. The School Board recommends this appropriation. (Majority vote required)
