As Guidelines, the School Board reserves the right to deviate from the Guidelines when circumstances so warrant. Nonetheless, deviation from the Guidelines should be the exception and not the rule.

The School Board has sought input from the administrators on the establishment of these Guidelines. As such, any amendments should be undertaken with the same input provided by the administrators. While the administrators’ input will or has been sought, the School Board reserves the right to reject and/or incorporate such input as deemed appropriate by the Board.

Adjustments may be made to reflect differences in responsibility, including but not limited to, increased school or faculty size.

Administrators shall receive adjustments in wages each year as approved by the School Board. The Superintendent shall use CPI, comparable data, and performance reviews in making an annual recommendation to the School Board for administrator salary adjustments. The School Board shall take the Superintendent recommendations into consideration when arriving at the approved salary adjustments. Nothing herein shall be construed as a guarantee to an annual salary increase if the budgetary concerns/issues of the Oyster River Cooperative School District, or the recommendations of the Superintendent, dictates otherwise.

The Administrator’s responsibility for such benefit(s) costs shall begin on the first day of the month following the effective date of the unpaid leave.

Additional leave may be granted upon the Administrator’s request in writing to the Superintendent of Schools and the Superintendent’s recommendation to the Board and subsequent approval. Said leave, if granted, shall be granted in writing.

The District may require medically documented evidence of the cause of sick leave if any Administrator is absent for three or more consecutive days. Such evidence may be required for any use of sick leave by an Administrator whose prior use, in the Superintendent’s opinion, has been excessive, or at any time the Superintendent deems that the nature of the absence warrants a fitness for return to school exam.

D. Sick Leave Bank

Employees are eligible to participate in this sick bank, if enough days have been donated and there are days available in the sick bank, and the sick bank committee has approved the use of the days. Each eligible employee who notifies the sick bank committee that he/she elects to participate in the sick bank, shall donate up to two (2) sick days at the start of each school year from his/her accrued sick days under Article IV Section C until the maximum number of days (175) is reached. Donated days will not be refunded to any employee.

The sick bank shall apply to a disability or illness (excluding work connected injury or illness) of the eligible employee which causes the employee to be unable to perform his/her contractual obligation for five contract days or more. To receive days from the sick bank, an eligible employee must present, in writing, to the employee sick bank committee evidence that they:

1. Have exhausted all accrued sick leave under Article IV Section C;
2. Are not eligible for disability insurance benefits; and

An eligible employee may be awarded a maximum of 90 days in increments up to 30, from the sick bank in any school year. No more than 175 days or the balance of all days in the sick bank, whichever is less, may be awarded to all eligible employees in any school year. Days in the sick bank that are not used during one school year will be carried forward to the next school year. Once an employee has used ninety (90) sick days, {personal and sick bank} the employee will be required to apply for disability when eligible. If approved they must go on to disability. Sick bank days may be awarded to employees with less than 90 days of available sick time to get them through the 90-day Long Term Disability waiting period. In no case will the District extend an employee’s absence beyond two years. At the end of two years the position they previously occupied will be considered vacant.

A three-person sick bank committee shall govern the sick bank; one-member will be appointed by the superintendent and two members will be appointed by ORAA. By October 1 of each year, ORAA will inform the Superintendent how many days have been donated to the sick bank for the next year and who donated those days, and the number of days remaining in the sick bank that will be carried forward to the next year. All of the numbers will be verified by payroll. The Superintendent has the discretion to allow additional to the sick bank during the school year should it be depleted.

The decision of the sick bank committee shall be final.

E. Bereavement Leave:

Administrators shall be granted up to five (5) days annually of bereavement leave upon the death of anyone in the professional’s immediate family. Immediate family means spouse, child, mother, father, sister, brother, grandparent, grandchild, in-laws, domestic partner, foster children, step-children, step-brothers/sisters, step grandparents, step grandchild, or relative living in the same household as professional.

2. Resigns or retires from the District and is not terminated from employment for misconduct; and
3. Shall receive a payment of $80.00 for each unused sick day up to a maximum of 160 days redeemed.

G. Positive Work Days: The District has adopted a positive work day approach to Administrators’ employment. The positions and number of work days are set forth in Appendix 1. The only leave that will effectively reduce the number of positive work days are sick and personal leave.

Since the positive work day approach contemplates vacation time, Administrators must:

a. Submit a work year calendar indicating the days to be worked to meet the total number of contracted work days; and
b. Receive preapproval from the Superintendent, or designee, for all personal leave time taken.
Such approval shall not be unreasonably withheld. Personal leave is only to be used for personal events or commitments that cannot be performed or attended to at any other time.

V. CALENDAR, SCHOOL DAYS, AND PROFESSIONAL ASSIGNMENTS

A. Work Year: The number of days comprising the work year of Administrators shall be set forth, by position, in Appendix 1. The number of work days takes into account all holidays and vacation time. It specifically excludes sick leave and personal leave, which if used would reduce the actual number of days worked. No additional leave shall be granted accept as set forth herein.

B. Building Assignments: All Administrators shall be given written preliminary notice of their building and job assignment no later than April 15 of the prior school year upon issuance of their contract.

C. Transfers and Change upon issuance of their contract: The District shall attempt to ensure that all changes in the building assignment are voluntary. However, involuntary transfers may be made at the sole discretion of the Superintendent as the needs of the District dictate.

VI. EVALUATIONS

A. In September of each school year, each Administrator shall receive copies of applicable evaluation procedures, to be developed by the Superintendent in consultation with the Administrators, which will then be used during the then current school year.

B. By April 1 of each school year, a performance evaluation shall be completed in accordance with such procedures. The evaluation shall be undertaken by a Superintendent or his/her designee. Input from the building principals will be sought by the evaluator in order to ensure completeness and accuracy of the annual evaluation.

C. Upon receipt of the evaluation, the Administrator shall have an opportunity to respond to any negative information and such response shall be appended to the evaluation. The Administrator shall sign the evaluation indicating receipt and the signature shall not be construed as agreement with any of the conclusions contained therein.

VII. DISCIPLINE

A. All disciplinary actions shall be applied in a fair manner and shall be consistent with the infraction for which the disciplinary action is being applied.

B. Disciplinary actions shall normally follow this order, but shall not be so limited in application, if the severity of the infractions reasonably warrants a more excessive response:

1. Informal redirection,
2. Verbal warning,
3. Written warning,
4. Suspension, without pay,
5. Demotion or discharge.

C. An Administrator may be disciplined for any misconduct including, but not limited to the following:

1. Incompetence or inefficiency,
2. Failure to perform assigned duties,
3. Disobedience to the Administrator’s supervisor or the School Board,
4. Intoxication or consuming alcoholic beverages or drugs while on duty,
5. Conviction of a felony or misdemeanor involving conduct incompatible with position,
6. Failure to observe rules and regulations of the District,
7. Unauthorized absence from the job,
8. Loss of driver’s license for more than six (6) months, if such loss of license
compromises the ability of the Administrator to efficiently and effectively discharge
his/her responsibilities, or
9. Any other act or omission that potentially subjects the District to liability for negligent
or otherwise inappropriate conduct.

VIII. CONTRACT TERM AND RENEWAL

A. Administrator’s contracts shall be issued for the term of one year for the first three years in a
job. Exception being and effective July 1, 2011, those Administrators who have been at their
current position for three or more years will be issued a contract for a term of two years,
subject to positive evaluations. The nonrenewal of any Administrator’s contract shall not be
considered discipline and shall be treated as an administrative act. Except as required by law,
notice of the Board intent not to renew an Administrator’s contract shall be tendered no later
than April 1 prior to the expiration of the contract. Nothing herein shall be construed as
providing continuing contract status or any expectation of employment beyond the term of
the contract, except as may be otherwise established or required by law. Reasons for
nonrenewal will only be provided in accordance with RSA 189:14-a, or as may be deemed
appropriate and/or necessary by the Superintendent.

In witness whereof the parties hereto have caused this agreement to be signed by their respective
president/chairperson and witnessed.
