Interdisciplinary Credit Toward Graduation

The Oyster River Cooperative School recognizes the need to identify coursework taught in one content area as relevant with regard to earning graduation credits in another content area. The parameters for this policy are subject to the following conditions:

1. Graduation requirements met by interdisciplinary credit shall be clearly designated on student transcripts;

2. Interdisciplinary credit shall be counted only once in meeting graduation requirements; and

3. The high school principal may approve a particular course for interdisciplinary credit if he/she determines that:
   a. The course has been adopted by a faculty team; and
   b. The course addresses the objectives for the subject area in which the credit is to be counted.
