

**End 68 Hours of Hunger - Oyster River
SAU #5 - 33 Coe Dr.
Durham, NH 03824**

The community of Oyster River offers a weekend food program for students, End 68 Hours-Oyster River. This program's purpose is to send home a supply of food every Friday with any child who feels /whose parent(s) feel this would be helpful.

This process will be done in a confidential manner. The food products are simply placed in bags on a bus for Friday morning delivery. If no one is at home and you would prefer to pick up at a school or the transportation department, please let us know.

You may opt into or opt out of this program at any time. **There is no income qualification for this program, it is not connected with Free & Reduced meals. If you need help, request bags. You may receive one bag for each child.** The variety of food that is purchased for this program is such that a child can prepare with limited cooking skills or is ready to eat. This service will continue each week throughout the school year or until you state you no longer wish to receive this support.
