**Oyster River Cooperative School District
SAU #5**

Welcome to the School Board meeting. If you wish to be heard by the Board, please note “Public Comment” at the beginning of the agenda (reverse side). During the comment section of the agenda each speaker may have up to three (3) minutes within the time frame allowed. Board Chair may limit time allotment as deemed necessary. Occasionally, the Board may “suspend its rules” to allow visitor participation at the time an issue of specific interest is being addressed. A speaker will not be recognized for a second time on a particular topic.

Visitors should not expect a Board response to their comments or questions under the above since the Board may not have discussed or taken a position on the matter. The Superintendent, without speaking for the Board, may offer clarification as appropriate.

Agendas and background information are available on the district website prior to meetings. Agendas and additional information are generally available at the entrance to the meeting room or distributed at the time the item is introduced for discussion.

The ORCSD School Board will meet in regular session on the first and third Wednesdays of the month with additional meetings when necessary. The School Board appreciates your attendance at these meetings and invites your continued interest in its work on behalf of the children and residents of the District.

V. ANNOUNCEMENTS, COMMENDATIONS AND COMMENTS

A. District

Principal Misty Lowe of Mast Way informed the Board that summer workshops and planning are going well. Also, the following building projects are on track for completion this month: a new shed, repairs to the parking lot, replacement of air handlers, and the renovation of a cafeteria wall. She let families know that student registration is underway and if there are any questions, they should call the school's front office. In a few weeks, teachers will send home personalized letters introducing themselves. New family tours will be held on Monday, August 21st from 9:00-9:30 and 1:00-1:30 and on Wednesday, August 21st from 2:00-2:30 and 5:00-5:30. A meet and greet opportunity for students to meet their teachers and see their classrooms will be advertised soon, as well as a PTO networking event for families.

Principal Rebecca Noe of ORHS announced that orchestra teacher Andrea von Oeyen is a semi-finalist for Teacher of the Year. Counselors will be back in the building starting August 21st and they will be available by appointment to discuss class schedules and answer questions.

Please note the following dates for August:

11th – Football practice begins.

14th – All other sports' practices begin.

16th – "Career/College Planning 101" for students applying to jobs/colleges. Students can attend one or both sessions from 8-11am or 12-3pm. Registration with a school email is required, see district website.

17th – “Welcome to High School” info session for students and parents from 1-3pm or 5-7pm.

25th – “Freshmen Orientation/Field Day” from 11:30-3:00pm.

30th – First day of school.

Interim Principal Bill Sullivan introduced Interim Assistant Principal Alida Carter of ORMS. He announced that the summer ESY and R.E.A.C.H. programs held at the middle school will be ending tomorrow, and the building will be cleaned and ready for the first day of school. A New Family Orientation event will be held the morning of August 24th with more details to follow. New bleachers and a retaining wall by the turf field are under construction and should be completed for early September. A considerable amount of ledge has slowed the project down.

B. Board – None provided.

VI. DISTRICT REPORTS

A. Assistant Superintendent/Curriculum & Instruction Report(s)

Suzanne Filippone announced that the online student registration window is now open for parents/guardians, and it needs to be completed by August 16th. Families should reach out to the school the child will be attending if they need assistance or have any questions. Teacher placement letters will be sent out this Friday or early next week since technical issues have stalled the process.

Heather Smith shared her appreciation for the new email format for parent communication and felt the registration process was fast and painless. Handbooks are available to read electronically by a link in the registration page, and the Board encouraged parents to review them.

B. Superintendent’s Report

Enrollment Update/Staff Update

Dr. Morse announced that the district enrollment numbers are stable, and he has no great concerns. Regarding the elementary schools, kindergarten numbers crept up at Mast Way and Moharimet is at maximum. The 3rd and 4th grade numbers are on the edge of class size policy, so he will be monitoring these grades as we approach the start of school. The middle and high school are in great shape for class size. Overall, enrollment is in a good place and there is no need for action at this time.

Regarding staffing, Dr. Morse stated that the district is struggling to fill paraprofessional and bus driving roles, which has been a longstanding issue. Due to greater technology interests, a middle school course has been altered to be a more hands-on technology class versus a hands-on building class, and this has altered the teaching role. This type of re-envisioning could occur at the high school in the coming years. The district may contract out for the one-year Spanish position at the middle school. Dr. Morse stated that the job market has had an impact on new hires, resulting in employing three novice teachers for the upcoming school year. He said administration will be making sure the new teachers have the supports necessary to be successful. He cautioned the Board of similar hiring concerns as they move forward in the current job market.

Denise Day wondered if freshmen have the option to take an intro level woodworking class through the CTE program. Suzanne explained that the CTE programs are not offered to freshmen, nor are they designed as intro level exploratory classes. Since most are 2–3-year programs, CTEs begin during the sophomore or junior year. Dr. Morse stated that they could reach out and see if a host school would be interested in offering an intro woodworking class should it no longer be offered at the high school.

With increasing numbers in tuition students, Dr. Morse said the size and space of the middle school could make it marketable as a charter or private school. He encouraged the Board to consider this moving forward.

C. Business Administrator – None provided.

D. Student Representative Report – None provided.

E. Finance Committee Report –First meeting for the upcoming school year will be August 30th.

F. Superintendent Search Committee

Review Superintendent Search Advertisement

Heather Smith provided a draft advertisement for the hire of a new Superintendent. Giana Gelsey felt that stating the district has a DEI Director would be important to communicate, especially since it's a unique role. Heather said the advertisement was at its 2-page maximum and she could not fit an additional line. Dan Klein agreed with Giana that the DEI Director is a unique role, and he said it gives prospective candidates an idea what they will be working with. He wondered if it should replace the "School Board of the Year" achievement. Brian Cisneros said the superintendent works for the school board and the candidates would want to know if it's a good board or not. He felt the school board reputation would be more of a deciding factor for a candidate versus a DEI Director. Heather pointed out that a candidate would need to do background work to know details not included in the advertisement and this could be a good way of screening candidates. After further discussion, most board members voiced wanting to include the DEI Director on the advertisement, and Heather was able to add it by altering the formatting. Dr. Morse and several board members praised Heather's work stating the advertisement was exceptional and it truly reflected the district. Heather went over a tentative timeline for the Superintendent search.

Tom Newkirk made a motion to approve the Superintendent Search Advertisement, 2nd by Matt Bacon. Motion passed 7-0.

G. Other: None

VII. UNANIMOUS CONSENT AGENDA – Chair Denise Day asked if any items needed to be discussed separately or if a board member had any question.

Giana Gelsey asked if there was a metric used to determine stipends.

Dr. Morse explained that stipends are determined through the guild negotiations based on a variety of variables.

No items were pulled out of the consent agenda for approval.

- **ORMS One year Maternity Leave of Absence for the 2023-24 School Year.**
- **MOH Maternity Leave of Absence from Approximately November 20, 2023 through April 8, 2024.**
- **Nomination of ORHS Department Heads and Activity Stipends for the 2023-24 school year.**
- **Nomination of ORMS Activity Stipends for the 2023-24 school year.**
- **Nomination of Mast Way and Moharimet Elementary Schools Activity Stipends for the 2023-24 school year.**

Denise Day made a motion to approve the unanimous consent agenda, 2nd by Tom Newkirk. Motion passed 7-0.

VIII. DISCUSSION & ACTION ITEMS

Discussion on School Board Goals for the 2023-24 school year.

Board members discussed the 2023-24 goals and timeline, with special consideration to a new Superintendent. Tom Newkirk felt a new Superintendent would need time to learn the district before drafting a strategic plan and

suggested taking out the goal. Board members agreed to remove “Strategic Plan” from the draft. The Board discussed refining “Competency Based Learning and Reporting” and adding bullet points to “Communications” to include an implementation plan for Parent Square. The Board also added “Facility Fee” and “DEIJ Board Workshop” as separate goals. A revised draft of the 2023-24 school board goals will be available at a future meeting for further discussion.

Student Data: Monitoring Student Growth

Update on Star Data Grades 2 – 8 and SAT's Grade 11

Spring 2023

Why do we give students assessments?

To assess what kids know and are able to do, to inform instruction, and determine interventions where appropriate.

STAR

- Individual student scores are one of several measures that are used to help teachers and families understand student progress.
- Results inform MTSS Teams regarding individual student learning and progress.

Reminders about Star

- Fall, Winter, and Spring data includes benchmark adjustments according to expected student growth.
- Star is a computer-adaptive test that continually adjusts questions based on the child's previous response.
- The percentile rank is a norm-referenced score that provides a measure of a student's ability compared to other students in the same grade nationally.
- The Benchmark is set by the district.

Elementary School Star Reading: Percent Proficient 2018-2023 (grades 2-4)

Elementary School Star Math: Percent Proficient 2018-2023 (grades 2-4)

Middle School Star Reading: Percent Proficient 2018-2023 (grades 5-8)

Why do we give students the SAT assessment?

“Predicts college readiness.”

The *SAT* is the NH State Assessment for all juniors.

More than 1,400 four-year colleges and universities are test optional.

SAT

- Digital Test
- Multiple Choice
- Scores range from 400-1600
- Two section scores: (1) Reading and Writing and (2) Math
Reading and Writing is merged into one score
- SAT is a “normed” exam
Raw scores translate into scaled scores that fall along the standard bell curve distribution
- Starting in 2024 the test will be:
 - Shorter in length (from three to two hours)
 - Shorter reading passages and more access to calculator

Spectator and Parent Expectations

At ORCSD, we view athletics as a part of the overall educational program. The public is invited to attend athletic contests for the purpose of supporting all of the participants (athletes and coaches) regardless of the school they represent. In particular, adult spectators are expected to be role models for students and to provide a positive model of behavior that contributes to the value of the experience. **School administrators and officials have the authority and discretion to remove any spectators who do not comply with the expected rules of conduct and sportsmanship.**

Therefore, when attending competitive events, spectators are expected to:

1. Respect the purpose of the competition and act in the role of support for all of the athletes, coaches and officials;
2. Refrain from angry or abusive language or actions toward any adult or student participants or other spectators;
3. Refrain from coaching or giving instructions from the stands to players participating in the game. Positive encouragement and praise for good play is always welcome;
4. Refrain from any act that creates a danger for participants or spectators;
5. Refrain from any act that could be considered taunting, heckling or berating of participants, officials, or coaches;
6. Refrain from approaching any member of the coaching staff or game personnel before, during or after the game for the purpose of issuing a complaint, voicing of concerns or to make negative comments. Please wait 24 hours before making any contact with the coaching staff. This includes in person conversations, phone calls or email communication.

Penalties for Inappropriate Conduct

Spectators who engage in any behavior listed above, may be asked to leave the premises and may be excluded from future events. The administrator in charge of the event may seek the assistance of law enforcement authorities if necessary to remove or exclude a spectator deemed to be in violation of these rules of conduct. Law enforcement may remove anyone who is disrupting an event or creating an unsafe environment or damaging public property.

ORHS STUDENT ATHLETE LEADERSHIP TEAM

SPECTATOR CODE OF CONDUCT

CHEERING

Cheering is supposed to be fun! Keep comments positive about your team, plays, and players! Chants are fun and full of spirit as long as they aren't negative towards anyone.

BE A FAN, NOT A FANATIC

Don't forget that students are participating in the sports for their enjoyment and not yours! Please be considerate of others in the environment.

REFGING AND COACHING

Coaches and refs are here for a reason, let them do their jobs! Have respect for them.

24 HOUR RULE

Still have questions? If you want to communicate with the coach wait until the following day and send them an **email** to schedule a meeting with them.

REPRESENTATION

Even though you may not be playing, you are still representing the school! All spectators should behave in a respectful manner towards other spectators, coaches, players, and refs.

GAME ATTITUDE

Games are supposed to be fun, so let's keep them that way! Have Bobcat Pride! A little bit of competition is fun, but remember to not call out and/or target individuals negatively in the facility.
