Sample Warrant Article for a Revolving Fund ~ reviewed and approved by Diane Gorrow.

Shall the district establish a non-lapsing Equipment Revolving Fund in accordance with RSA 194:3-c, to be funded by the sale of unused and outdated equipment, for the purpose of providing equipment to students in need, with said amount to be withdrawn from the revolving fund at monthly intervals as needed. (Majority vote required)

OYSTER RIVER COOPERATIVE SCHOOL DISTRICT THE STATE OF NEW HAMPSHIRE

2016 SCHOOL WARRANT

To the Inhabitants of the Oyster River Cooperative School District of Durham, Lee, and Madbury qualified to vote upon District affairs:

You are hereby notified to meet at the Oyster River High School in said district on the 3rd day of February 2016, at 7:00 o'clock in the evening for Session I of the Annual School District Meeting for discussion of Articles 3 through 7 and for any amendments thereto. Warrant articles whose wording is prescribed by law shall not be amended and no warrant article shall be amended to eliminate the subject matter of the article at Session I.

Official ballot voting for school district officers (articles 1 and 2) and on articles 3-7 will occur at town polling locations on Tuesday, March 8, 2016:

Town of Durham

Oyster River High School

7:00 am to 7:00 pm

Town of Lee Town of Madbury Lee Safety Complex Madbury Town Hall 7:00 am to 7:00 pm 11:00 am to 7:30 pm

ARTICLE 1: To choose a Moderator for the coming year.

ARTICLE 2: To choose two At-Large School Board members for the ensuing three years.

ARTICLE 3: Shall the District raise and appropriate the sum of \$1.9 Million for the renovation and construction of athletic fields and a track at Oyster River High School, and to authorize the issuance of not more than \$1.5 Million of bonds or notes to be paid over a 10 year period in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the School Board to issue and negotiate such bonds or notes; and in addition to raise and appropriate the sum of \$22,419 for the first year's principal and interest payment on the bonds or notes, and \$400,000 to come from expendable trust fund and/or fund balance for this purpose. The School Board recommends this appropriation. (A three-fifths (3/5) ballot vote required.)

Explanation: Warrant Article 3 - Asks Oyster River taxpayers to approve a bond of up to \$1.5 Million over a (10) year period to fund the costs for an athletic facility upgrade project at the high school. This project will include an all-weather track, an artificial turf playing field using an environmentally friendly fill that provides a safer playing surface and reduces runoff into Beard's Creek with reconfigured baseball and softball fields. The estimated total cost of the project is \$2.2 million. An artificial turf field and track will improve drainage and allow for greater utilization of the field and avoid renting fields from UNH. The reconfiguration of our baseball and softball fields will provide for multi-use play. Assuming the \$1.5 million bond is approved by the voters, \$300,000 for the project which has been previously fundraised, will be used to fund the construction of the all-weather track. The remaining 400,000 will come from fund balance. The Board anticipates that additional fundraising will make possible enhancements to the project, to include field lights and dugouts.

ARTICLE 4: Shall the District vote to approve within the provisions of New Hampshire RSA 273-A:3 the cost items included in the collective bargaining agreement reached between the Oyster River Educational Support Personnel Association and the Oyster River School Board which calls for the following increases in salaries and benefits at the current staffing levels:

2016-2017 \$ 38,937 2017-2018 \$ 42,332 2018-2019 \$ 45,638

and further to raise and appropriate the sum of \$38,937 for the 2016-2017 fiscal year, such sum representing the additional costs attributable to the increases in salaries and benefits required by the new agreement over those that would be paid at current staffing levels? The School Board recommends this appropriation. (Majority vote required)

ARTICLE 5: Shall the District authorize the School Board to sell the 24.97acre lot on Orchard Drive in Durham, on such terms and conditions as the School Board determines are in the best interests of the District, and further to raise and appropriate up to \$500,000 from the sale of this property to be placed into the Facilities Development Capital Reserve Fund established in March 1999 and amended in March 2014. The School Board recommends this appropriation. (Majority vote required)

Explanation: Warrant Article 5 - Requests voter approval to sell two vacant residential parcels of land, totaling 24.97 acres on Orchard Drive in Durham. This property was given to the school District for future use. The property has been surveyed to determine the viability of using it for future buildings or fields. About 17 acres of the combined area of the parcels are constrained by natural resources, wetlands and watercourses, leaving only 8 acres for potential residential use. As a result of our environmental study, the School Board has determined that these parcels are not suitable for any school purpose. The Facilities Development Capital Reserve Fund established in March 1999 was amended in March 2014 changing it to an expendable trust fund appointing the School Board as agents of this fund.

ARTICLE 6: Shall the District raise and appropriate up to \$500,000 to be added to the expendable trust fund known as the Facilities Development Capital Reserve Expendable Trust Fund, with such amount to be funded from the year-end undesignated fund balance surplus. The School Board recommends this appropriation. (Majority vote required)

Explanation: Warrant Article 6 - Annual budgets are estimates of needs in the ensuing year. They are based upon past expenditures and revenue projections nearly a year before the budget is implemented. As a result, due to unanticipated revenues and unexpended accounts, there may be funds remaining at the end of the year. ORCSD still has over \$2.5 million in unmet facility's needs. This fund will assist in addressing these needs and other facility needs that may develop. Should there be any remaining funds, Article 6 allows up to \$500,000 of the remaining funds to be placed in the Facilities Development Capital Reserve Trust Fund.

ARTICLE 7: Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant article and other appropriations voted separately, the amount set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$42,303,815 distributed as follows: Fund 10 = \$40,950,403 (regular operating budget); Fund 21 = \$671,412 (expenditures from food service revenues); Fund 22 = \$621,000 (expenditures from federal/special revenues); Fund 23 = \$61,000 (expenditures from pass through funds)? Should this article be defeated, the operating budget shall be \$40,892,769 (Default Budget) which is the same as last year with certain adjustments required by previous action of the district or by law; or the district may hold one special meeting in accordance with RSA 40:13, X, and XVI to take up the issue of the revised operating budget only. *The School Board recommends this appropriation.* (*Majority vote required*)

Free- and Reduced-Priced Meals: Eligibility and distribution of free- and reduced-priced meals will be handled by the Child Nutrition Director and designated food service personnel. The availability of free and reduced lunch will be made known to all families through the use of school newsletters, beginning of the year packets and the website. Help will be offered for completing the application should it be needed. Application materials are available on the ORCSD website, at each school main office, from the school nurse, and can be mailed upon request. Confidentiality and the sensitivity of these matters will always be taken into consideration. Forms will be processed in a timely manner and schools will assure that all students have access to food at school in accordance with the Child Nutrition and WIC Reauthorization Act of 2004 & 2010.

Qualifications of School Food Service Staff: Nutrition professionals will administer the school meal programs under the direction of a Child Nutrition Director. This director will oversee the operation of school meals, maintain proper resources that meet state and federal regulations and maintain state health requirements for each school in the district. A qualified Child Nutrition Director will have a minimum of a bachelor's degree with nutrition-related coursework; the registered dietitian credential is preferred.

As part of the school district's responsibility to operate a food service program, we will provide continuing professional development for all nutrition professionals in schools. Staff development programs will include appropriate sanitation courses and/or training programs for child nutrition directors, school nutrition managers, cafeteria workers, and volunteers according to their levels of responsibility.

Component #4: School Environment

The ORCSD shall educate students, employees to the important benefits of a healthy lifestyle. The district shall offer nutrition education to the community.

Rewards

Food and beverages are prohibited not allowed as rewards. School staff will not use foods or beverages that do not meet the nutrition standards as rewards for academic performance or good behavior. Food or beverages (including food served through school meals) will not be withheld as a punishment.

Fundraising Activities

School-sponsored fundraising activities (direct ORCSD affiliation) should avoid using food items that do not meet nutrition and portion size standards. Schools will encourage fundraising activities that promote physical activity. The school district will make available a list of ideas for non-food related fundraising activities.

ADMISSION OF TUITION AND NON-RESIDENT STUDENTS

Non-resident students may only attend <u>Oyster River Cooperative School dD</u>istrict schools when their attendance has been approved by the <u>Board superintendent</u>. If the <u>Board superintendent</u> agrees to enroll a non-resident student, the District will either charge tuition to the parent or, alternatively, the superintendent may seek to enter into <u>an a tuition or non-tuition</u> agreement <u>for the payment of tuition</u> with the school district in which the student resides.

If a student's parents are divorce and the student lives primarily out-of-district, student may nonetheless attend schools within the District and considered a resident of the District for school attendance purposes provided: (1) the divorce decree allows the student to attend the District; (2) or provided the parents have agreed in writing that the student may attend the District and such written agreement is provided to the District. Students in this situation will not be charged tuition.

Upon the admission of a non-resident student to the District, the Superintendent or designee will immediately notify the student's school district of residence of the student's name, date of birth, address, and grade assignment of the student. This notification shall also be made at the beginning of each school year for which the student in enrolled.

The Board acknowledges the provisions of RSA 193:3 which state that the district in which the student resides shall retain all responsibility for the provision of special education and related services pursuant to RSA 186-C.

The Board's decision on whether to enroll a non-resident student will not be based, in whole or in part, on whether that student is a student with a disability, as define by applicable state or federal law.

Tuition rates will-should be charged at a and the rate should be set by the Board and billed quarterly in advance to the district of residence or parent responsible for payment. When a district of residence is responsible for tuition, approval must be that the resident district's school board must first approve.

Under normal circumstances, the district will not provide transportation to and from school for non-resident and tuition students at district expense. However, the district may assist parents in finding and procuring transportation services for their children.

In a divorce decree, or parenting plan developed pursuant to RSA 461-A, a child's legal residence for school attendance purposes may be the school district in which either parent resides, provided the parents agree in writing, provide a copy of the divorce decree to the district the child will attend, and each parent furnishes a copy of the agreement to the school district in which the parent resides. Transportation will be provided if the student lives in the District The Superintendent or designee will make all determinations as to whether transportation will be provided in such other circumstances. The Superintendent or designee's decision will be final.

The provisions of this policy may be modified on a case-by-case basis, as needed, pursuant to separate contracts, agreements and other binding arrangements.

Wednesday, December 9, 2015 @ 3:30 PM

Attendees: Maria Barth, Kenny Rotner, Denise Day, Wendy DiFruscio, James Morse

Visitors: 1 - Sue Caswell

Called to order at 3:30 by Maria Barth. Jim explained that we were going to start with Sue Caswell, Business Administrator to update the committee on Booster Clubs and where the District stands with these clubs.

Sue explained that at this time there are only a few remaining clubs that need to be met with and given the option to remain under the District control and follow the Federal guidelines for activity accounts, or branch off and become their own entity. Sue explained that she also requested legal clarification on activity funds and how a school district should handle them. Policy committee asked a few clarifying questions and discussion ensued. Jim will report out to the full Board on the Booster Clubs status. Sue left the meeting at 3:55 PM.

Policy JLCF Wellness – The Wellness Committee met and asked that a minor change in langue to page 10 only happen due to specific language needed for grant funding. The policy committee is in agreement with this language change and is asking that the School Board approve it with both a 1st & 2nd read at their meeting on December 16th.

Policy JFAB – Admission of Tuition and Non-Resident Students – This policy has already been approved with a first read back on August 19, 2015, it slipped through the cracks for its second read. Policy Committee agreed that this will go before the School Board at their next meeting for a second read/adoption.

Policy IKA - Grading System - This policy is okay as is. No action was taken.

Policy EEAA – Video and Audio Surveillance on School Property which Jim explained was reviewed by legal counsel. It is being recommended that no policy be adopted for this as the laws will be changing again and that the District should hold a one-time public hearing at an existing School Board meeting with a motion made that it become standard practice at the beginning of each school year under the principals control. Discussion ensued and decision made to follow the law pertaining to a public hearing. **Recommended Motions after public hearing**: Moved that the current practice of requesting staff and parent permission before videoing be maintained. Moved that classroom videos not be placed on social media without prior staff or parent permission.

Policy ILD & R – Educational Questionnaires, Survey and Research – Legal clarification obtained pertaining to how the District should proceed with this policy. Committee still unsure of how to proceed with this policy and a lengthy discussion as to how to proceed. Jim suggested that we place this policy on hold and ask the attorney to come in during the next policy committee to answer questions and explain in greater detail how the District should proceed. Policy placed on hold until the next meeting.

Policy ILDA – Non-Educational Questionnaires, Surveys and Research legal clarification obtained and will also be placed on hold for the next meeting with the attorney.

Meeting ended at 4:50 PM - Next meeting to be January 27, 2015.

Respectfully submitted,

Wendy L. DiFruscio
