

Oyster River Cooperative School Board

Long Range Planning Committee Meeting

December 8, 2014 ORHS

7:00 p.m.

Committee Members Present: Lisa Allison,
Katrin Kasper, Rob McEwan, Marie O'Neill

School Board Representative Present: Denise Day

Members of the Public: Steve Pappajohn, Giana Gelsey

The meeting was called to order at 7:00 p.m.

After introducing committee members and potential new members Steve Pappajohn and Giana Gelsey from Madbury, we briefly explained how the Long Range Planning Committee works. We were happy to find two additional well-qualified community members interested in joining the committee. We reviewed the highlights of the 2014 report to the School Board and the elementary enrollment situation.

We discussed the way we currently project the number of High School tuition students and we reviewed the Barrington Tuition contract. Rob McEwan found a link to Barrington's historical K-8 enrollment. We will still need to ask Barrington for their historical High School enrollment by grade by year and the breakdown between schools attended.

We asked Denise Day to request that the School Board allow us to have a total of 4 LRPC members from Madbury.

The committee will meet again in the spring to further investigate the methodology for forecasting tuition students.

The meeting adjourned at 8:00.

Respectfully submitted,
Lisa M. Allison, LRPC chair
