

Oyster River Cooperative School Board
Long Range Planning Committee Meeting

November 7, 2016 ORHS

7:00 p.m.

Committee Members Present: Lisa Allison, David Taylor, Robert Mohr, Rob McEwan, Alyson Mueller
School Board Representative Present: Denise Day

The meeting was called to order at 7:05 p.m.

We discussed the draft LRPC report to the School Board. Several typographical errors in the draft were noted and they will be corrected. On the summary slide, the fact that the two elementary schools have equal enrollment in 2020-21 will be highlighted. Also, the summary will note that high school enrollment remains between 830 and 837 for six years.

We will send the enrollment projections to Wendy DiFruscio for use in the budget meetings.

Denise Day will schedule the LRPC presentation to the School Board at the most convenient meeting.

Next year, the LRPC will continue to explore possible independent variables for use in the multiple regression models. The next meeting will be scheduled in March or April of 2017.

The meeting adjourned at 7:35 p.m.

Respectfully submitted,

Lisa M. Allison, LRPC chair
