

Agenda 3/1/2021
7:00pm

- 1) Review the minutes
- 2) Have each person discuss ideas from previous brainstorming session and what information they were able to acquire.
- 3) Discuss future changes to the model that will allow for a decrease in variability. Map out who will collect data and run the model.
- 4) Make a plan for dealing with '20-'21 year enrollment in the future assuming numbers return to near normal post virus.
- 5) Schedule future meeting date
