## AVAILABILITY AND DISTRIBUTION OF HEALTHY FOODS

The Oyster River Cooperative School District will support the availability and distribution of healthy foods and beverages in all school buildings during the school day.

The Superintendent or Nutrition Director is responsible for ensuring that all foods and beverages distributed within the district meet nutritional standards established by state and federal law relative to: (1) nutrient density; (2) portion size; and (3) nutrition targets, as defined in pertinent law (4) The District strives to utilize locally sourced foods when available.

The Superintendent or Nutrition Director is responsible for implementing developmentally appropriate opportunities to learn food preparation skills that support nationally recognized research-based nutrition standards. The Superintendent or Nutrition Director is responsible for providing annual communication information about the policy and procedure and related curricula to the school community.
