#### STUDENT PRODUCTIONS

1. All performances involving students shall be approved by the building principal.
2. All scheduled appearances should be reported to the principal's office prior to the performance. The director of each activity is to keep the principal informed of pupil appearances in public.
3. The extended use of one particular group should be approved by the building principal.
4. Students participating in a performance shall conduct themselves in a manner appropriate for their age and in such a way as to bring credit to their school.
5. Performances that are scheduled outside school hours are preferred. Performances during school hours should be limited to the class period during which the activity is usually taught to that particular student or students, whenever possible.
6. Pupils should be instructed to dress properly for public performances and to be well prepared.
