PUBLIC COMMENT AT BOARD MEETINGS

The primary purpose of the Oyster River Cooperative School Board meetings is to conduct the business of the Board as it relates to school policies, programs and operations. The public is encouraged to attend all public meetings of the Board. However, the public is not allowed to participate in public Board meetings except during public comments. The Board will allow public comments at regular public meetings [and workshops](#).

Public comments can be limited by the Chairperson in order to accomplish the agenda in a timely manner. For the School Board to conduct its meetings properly and efficiently, and in order to assure that persons who wish to appear before the Board may be heard, it is expected that the following will guide public comments at Board meetings:

1. Consistent with RSA 91-A:3, Policy BEDB-[Agenda Preparation & Format](#), and the laws pertaining to student and family privacy rights, the Board will not place any matter on the public agenda that is to be properly discussed in a non-public session. Complaints regarding district staff will be directed to the Superintendent.

Additionally, the required 30-minute limit minimum only applies to the first public comment period at any meeting if more than one comment period is on the agenda.](#)

[23. All speakers are to conduct themselves in a civil manner. Obscene, slanderous, defamatory or violent statements will be considered out of order and will not be tolerated. The Board Chairperson may terminate the speaker's privilege of address if the speaker does not follow this rule of order. Individuals who may speak during Public Comment includes, residents of the District, students, and parents or guardians of students who attend District schools and students.](#)

[34. Other](#) Non-residents who wish to speak will be required to receive authorization from the Board Chair prior to the meeting.

[45. Speakers may not delegate others to speak on their behalf or "give" time to other speakers.](#)

[6. Consistent with RSA 189:74: I and in the interest of protecting personally identifiable information \("PII"\) as well as other confidential information, comments \(including complaints\) regarding individual students, volunteers, or employees \(other than the Superintendent\) should be directed to the Superintendent or otherwise as provided under the complaint/grievance resolution processes set forth in Board Policy KEB-\[Public Complaints about School Personnel, Employees, Students or Administration to the School Board\]\(#\).](#)

This policy affects public access to the Board and the public's Right to Know. To protect that right, this policy requires a public hearing before it may be revised. Further, this policy may not be suspended except by a two-thirds vote at a public meeting. The Board must always fully comply with the letter and spirit of the Right-to-Know law that may not be suspended. This policy will be reviewed by the Board and all standing advisory committees annually before the end of April to ensure full awareness and compliance.

ACCESS TO PUBLIC SCHOOL PROGRAMS BY NONPUBLIC, CHARTER SCHOOL AND HOME EDUCATED PUPILS

All Oyster River Cooperative School District pupils residing in the District, whether they are home educated, or are attending public chartered school or nonpublic schools (collectively, “non-enrolled district students”), shall have access to curricular courses and co/extra-curricular programs offered by the District in accordance with RSA 193:1-c.

A. Equal Access to District Courses and Programs.

Non-enrolled district students will have the same access as do enrolled students to the District’s courses and programs. Non-enrolled district students shall not be subject to any policies, procedures or standards with respect to participation in the District’s courses or programs that are more restrictive than those governing the District’s enrolled students. Non-enrolled district students, however, must meet the same eligibility criteria as the District’s students as described in paragraph B below.

The district allows non-enrolled district students to participate on an equal basis in courses and programs offered by the district provided they meet the eligibility requirements for participation (e.g., deadlines for registration, academic progress/performance, parental permission, third party (e.g., NHIAA) requirements, physical exams/health requirements, etc).

In the event that a course or program has reached capacity, selection between enrolled students and non-enrolled district students must be made using the same criteria, such as registration deadlines, registration dates, audition/tryout, seniority by grade, etc. If, after applying such criteria the course/program remains overenrolled, the determination should be made randomly.

If a student or their parent/guardian believes that they have not been given equal opportunity for participation in district programs, then they may appeal as outlined in Board policy JJA – [Student Activities, Clubs and Organizations](#)

Participation in Curricular Courses.

The building Principal will provide this eligibility criteria to parents or guardians of non-enrolled district students upon request.

Parents/guardians shall submit requests for participation in District courses in writing to the building Principal. The building Principal will verify that the eligibility standards are the same as those that apply to students enrolled in the school district.

The Principal will determine if a non-enrolled district student has satisfied eligibility criteria and prerequisites in the same manner as they would for determining whether a course satisfies requirements for awarding credits as outlined in Board policy IK-[Earning of Credits](#).

In making the determination, the Principal should consider home education evaluation materials (see RSA 193-A:6, III), course descriptions, syllabi, and/or any other relevant information offered by the parent/guardian of the student.

Requests for the related services including, but not limited to, physical therapy, occupational therapy, speech therapy, counseling, psychological, guidance, and/or special education services shall be referred to the Student Services Director. If a dispute arises between the parent/guardian and the District as to the pupil's right to these services, the Student Services Director shall inform the Superintendent, who shall consult the District's attorney for a legal opinion.

B. Use of School Texts and Library Materials.

Non-enrolled district students will be permitted to use the school library, borrow school texts and borrow library materials under the same conditions and rules as pupils enrolled in the District.

C. Participation in Activities and Co/extra-curricular Programs.

Requests by non-enrolled district students for participation in District co-curricular/extra-curricular activities or programs (“activities”) shall be made in writing by the parent/guardian to the building Principal. The building Principal shall ensure that there is equal treatment and opportunity of non-enrolled district students relative to their participation in District activities.

In order to participate in District activities, non-enrolled district students must:

1. Meet the eligibility criteria for participation in the activity that apply to students enrolled in the school district, with the exception of school attendance;
2. Meet any tryout/audition criteria or their equivalent for participation in the activity that apply to students enrolled in the school district as outlined in Board policy JJA-Student Activities, Clubs and Organizations; and
3. Comply with all policies, rules and regulations or their equivalent of the governing organization of the activity as outlined in Board policy JJA-Student Activities, Clubs and Organizations.

Non-enrolled district students participating in district co-curricular and extra-curricular activities are subject to the same fees charged enrolled students for the activity.

D. Appeals.

Any student/parent/guardian who believes that the district’s policies/regulations or the State’s laws/regulations pertaining to a non-enrolled district student’s access to a course or program have not been appropriately or fairly interpreted may appeal as follows:

If the original decision being appealed was made by the Principal, then the “Principal” as used in steps 1-4 shall refer to the “Superintendent”, and the Superintendent’s decision shall be final. Step 5 shall not apply.

1. Submit a letter to the building Principal stating the nature of the concern and requesting a hearing.
2. Within five (5) school days the Principal will convene a meeting with the student and/or parents, the coach/advisor, and a teacher(s).
3. The student/parent will be given an opportunity to explain why they believe the student should be eligible for participation. Additionally, the student/parent may present information, documents or other material in support of their position. The Principal shall prepare minutes of the meeting.
4. The Principal will consider all information available and will make a final decision within three (3) school days following the meeting. The Principal will notify and inform the student/parents of their decision in writing via email. When time is of the essence, the Principal should first convey the basic conclusion as soon as practicable via telephone or email.
5. The student/parent/guardian may within 3 days of the Principal’s email of the decision submit a written request for further review by the Superintendent. The written request should describe why the Principal’s decision should not be upheld. The Superintendent may decide without further information to uphold the Principal’s decision, or may determine a further meeting is necessary. In either event, the Superintendent’s decision will be final. If the parent/guardians do not request a review by the Superintendent, then the Principal’s decision will be final as of the fourth day after the Principal’s written decision was transmitted to the parents/guardians.
